Thank you for choosing Hallmark Health's Laboratory Services. We are committed to providing you with the best possible and most respectful care. We perform over two million tests per year in our technologically advanced laboratories located at Lawrence Memorial Hospital of Medford and Melrose-Wakefield Hospital.

Using the latest systems; results are transmitted directly into our patients' electronic medical record (EMR) making the results quickly and easily accessible by your physician.

Our labs are accredited by the *College of American Pathologists*, the *American Association of Blood Banks* and *The Joint Commission*.
